To Whom It May Concern:

I have had the privilege of supervising Rachel Wilkie (Chisholm) for almost two years from June 2003 until May 2005. She is self-motivated and works well with others. She performed clerical tasks including computer skills and all aspects of office machines. Rachel has excellent communication skills and was excellent on our multi-line phone system.

I highly recommend Rachel for any job position that she applies for. She would truly be a good asset to your company.

Sincerely,

Janice M. Mytinger
